MONTHLY NEWSLETTER

Hard copies of this newsletter will not be available this month. Normal service will be resumed with the January Newsletter

A copy of this Newsletter is available on line and the December Fixtures will be uploaded to the web site within the next few days.

Unfortunately things did not work out as anticipated with regard to uploading the results to the web site during the period 17th to 24th November. All results for this period have now been uploaded and the league tables are up to date.

The Final Whistle will be published once again from this coming Saturday.

REPRESENTATIVE MATCH

A representative match has been arranged against the Mid Essex League at Great Wakering on Wednesday 05 December with a 7:45 K.O. After the disappointment of the National League System Cup the league will be hoping to for a good result.

Representative matches are also being arranged for the New Year against the Pope & Smith Sunday League and the Essex Suffolk Border League. It is also hoped to play the Kent County League before the end of the season
