NATIONAL LEAGUE SYSTEM CUP

Our second round tie against the Jersey Football Combination takes place at AFC Hornchurch on Saturday 12 December with a 3:00 p.m. kick off.

This is one of the most important matches in our Leagues Representative Team history and is the first time we have played "foreign" opposition.

If you are able to come and support our league it will be very much appreciated.

ALL CLUBS MEETING

This is an advance reminder that the All Clubs Meeting takes place at Old Chelmsfordians Club on Thursday 07 January 2010. All clubs must be represented at this meeting in accordance with Rule 19

RESULTS ANSWERPHONE

With 40+ results to be taken every Saturday it is inevitable that some results will have to be left on the results answerphone by clubs phoning them in. Will those phoning in results PLEASE speak slowly when giving the names of goalscorers and SPELL players names if they are unusual or have various possible spellings

Some who phone in results try to speak as quickly and possible and call in from either the noisy changing room or bar making it virtually impossible to hear what is being said.

Unless we have all the information reported clearly the reports cannot be properly completed and the papers will not print them. There is also no point in circulating the final whistle if has many inaccuracies Results also have to be sent to the papers by 5:30 on Saturday evening so please don't wait until the last minute to phone in the details

Please pass this on to whoever phones the results in and ask for their co-operation.

AUTHENTICATION OF REGISTRATION CHECKS

Will clubs please ensure that when registration checks are carried out, players sign the forms with the same signature as they used on their registration form.

RULE CHANGES

Several clubs have come forward with suggestions for rule changes for next season. The procedure that clubs need to follow in this regard is contained within league rule 20. Whilst proposed changes may be accepted by the committee, clubs should not expect the management committee to be the ones to initiate the proposal of changes suggested by clubs

Clubs should also note the underlined final paragraph of rule 19 as the E.C.F.A. are currently very reluctant to make even minor changes to the Standard Code of Rules and without their agreement changes cannot be made. This does not however prevent clubs from putting forward their proposals which will be submitted to the County for approval ahead of the A.G.M.

APPOINTMENT OF REFEREES

There are only three Saturdays of fixtures in December and referees are reminded that if they are not appointed to a game on a weekend they have given to our league they **MUST** close the date with John Cook **BEFORE** they accept an appointment in another competition. If dates are not closed with John referees will still be regarded as being available.

In January there will be five Saturdays of games which should mean there should be plenty to go around so if you have not already told John you are available in January please do so.

SEASONS GREETINGS

The League Management Committee we wish you all a very Happy Christmas and a Prosperous New Year and to our Officials our thanks for your continued support
