CONTACTING OFFICERS

Section 1 on page 64 of the League Handbook tells clubs who they should contact regarding league matters.

Whilst it might be simpler to contact the same person with every query, at the end of the day each League Officer makes decisions regarding his own realm of responsibility and his interpretation of a rule may differ from that of another officer. Please therefore contact the correct officer with your question. Details of who to contact are also shown on the web site.

MID-WEEK FIXTURES

Over 260 matches have been postponed so far this season. There are therefore going to be a large number of mid-week fixtures. Clubs are urged to look at extending the availability of their pitches if they don't want to be playing more than one mid-week match a week.

Do not think that just because your club do not have many fixtures left you will not be playing mid-week fixtures or will not be playing deep into May.

CONFIRMING MATCHES

Following a complaint from a Referee, will clubs please ensure that they do not make telephone calls to either officials or opponents after 9:00 p.m. of an evening.

The attention of clubs is drawn to Note 7 under "Notes to Secretaries". If clubs do not speak to the match officials or opposing clubs representative to confirm a match, it is important that, if they have not received an acknowledgement at least four days prior to the playing of the match, they make further contact. Always request an acknowledgement if you do speak personally to the person concerned.

LAKESIDE RESERVES

As Lakeside Reserves withdrew from the league without completing 75% of their fixtures, their record has been expunged.

REPRESENTATIVE MATCH

The Representative match scheduled for 22 March 2011 against the Mid-Essex League has been moved to 29 March 2011 due to AFC Hornchurch being given a re-arranged fixture.
