HON SECRETARY/RESULTS SECRETARY AWAY

As advised in the April newsletter the Hon Secretary/Publicity Secretary will be away during May.

The results and goalscorers of all matches from 01 May to 24 May should be telephoned through to Phil Coulthard on 01376 321 600.

Whilst the web site will not be updated over this period, results will be uploaded to the football Mitoo site which will be accessible from the leagues web site. The league tables will also be updated on the Mitoo site. This newsletter contains details of all the remaining fixtures although there might be changes which Phil will advise you of in due course.

Between the above dates, should you wish to contact the league regarding any matters usually dealt with by the Hon. Secretary please contact Brian Stubbings on 01621 854 566.

I am sure you will be pleased to know that every attempt will be made to send out fine notifications as soon as possible after the May meeting.

All the A.G.M. paperwork will be sent out by post upon the Hon Secretarys return.

NOTE TO REFEREES from JOHN COOK

May is a very difficult month for appointments as there are not a large number of games and many referees are unavailable.

It is possible that some referees may drop out of matches so unless you close the date you may well receive a late appointment.. As for evening fixtures, I has given games to referees as indicated on their application form. If for any reason you cannot do the games allocated to you please let me know straight away. If you are available for evening games and have not been appointed to any please let me know.

On behalf of the league and all the teams I would like to thank you all for your continued support and we look forward to seeing you again next season.

PLAYERS OWING MONEY

As you may be aware the ECFA does have a system by which they will sine-die suspend players who owe money to a club (See section 14.6 on page 405 of the current ECFA handbook). Some clubs have however asked if there is any action we as a league can take.

In light of this, if any club has a player who has left them and owes them money and who has not been reported to the ECFA, will they please e-mail the players 2007/08 registration number, name, address and the amount they owe to the Hon. Secretary between **1st June and the 30th June 2008** preferably in Excel format.

During July the Hon. Secretary will circulate all clubs telling them the names of players who have not fulfilled their obligation to their previous club and are therefore ineligible to register with the league for the 2008/2009.

Please note that the league will not act as a debt collecting agency and any disputes as to whether an outstanding debt has been paid or not are between the club reporting the player and the player himself. For this reason clubs are strongly urged to issue receipts to players for any money they pay.

For this to work it is imperative that clubs keep the Hon. Secretary updated as and when outstanding debts are paid.
