The delivery of the completed Registration Form to the address of the appropriate Hon. Registration Secretary prior to the match in which the player takes part does NOT make the player eligible for that match.
3. All matches shall be played on grounds deemed suitable by the Management Committee, and teams shall play home fixtures only on the ground registered with the League, unless prior approval is first obtained from the Management Committee.
4. When a match is played at an alternative venue or kick-off is at a non-standard time, the home club must, in addition to notifying all those concerned in the match, notify the Referees Secretary, Asst. Referees Secretary (where applicable), The League Fixtures Secretary, and The League Results Secretary
5. Where the term "Secretary" in relation to a club officer is used within the rules this can be taken as meaning the club "Fixtures Secretary" where the rule describes a function of that position.
6. Clubs must ensure that Club Officials, Players and Spectators at matches adhere to the relevant section of the Code of Conduct as detailed in Appendix B
7. Rule 10 (D) states that "notice must be given in writing". It is however acceptable for a club to confirm fixtures etc. by telephone. The important thing is that an acknowledgement is received whether it is at the time of the telephone call or when the message is received. If no acknowledgement is received at least four days prior to playing of the

match, the home club must make further contact with the opposing club or match officials to confirm its receipt.

8. When contacting the opposing club to notify them of a postponed fixture, messages **must not** be left on an answerphone but must be left with someone personally.
9. Any Club failing to notify ALL of the officials mentioned under Rule 10 (F) shall be fined £10.00 in respect of each official not contacted.
10. Clubs in default of Rule 11 (C) shall be fined £15.00. Clubs who are repeatedly in default of this rule shall be dealt with under Rule 5 (H).

12. Result sheets should reach the Hon. Registration Secretaries within FOUR full days, Sundays and Bank Holidays included, of the conclusion of the match (Rule 11 (A)). Be sure your players are duly qualified as per Rule 8 (B).
13. If the appointed referee does not turn up, a person to referee the match MUST be agreed upon. (see Rule 13 (B))
14. The League Management Committee will monitor the behaviour of players and the administration of clubs throughout the season and if it is deemed necessary may call a club to appear before them. In extreme circumstances clubs may be recommended for exclusion from the Constitution for the following season under rule 17 (B).
