Due to Peter Godfrey being away on holiday from 13th November to 26th November the following procedures will be in place to cover this period

Matches played on 13th, 17th and 24th November

The **results only** of matches played on these dates should be phoned in to Chris Stubbings on **01621 854 566**. Any postponements over this period should also be phoned through to Chris.

The names of goalscorers in matches on these dates **ARE NOT** required by Chris.

Result sheets should be sent in by e-mail as usual for matches played over this period

Registration of Players by clubs in Zone B (John Pickering's Zone)

Any players registered by clubs in Zone B between 10th and 24th November will be eligible to play on the 10th, 13th, 17th and 24th November.

All registration forms for Zone B should be posted to Peter in the normal way.

These will be dealt with upon his return and updated registers will be sent out prior to 1st December.

Any problems with players registered during the period Peter is away will be raised with clubs prior to 1st December.

Everything will be back to normal for matches played on and after 1st December 2007.

THE FINAL WHISTLE, RESULTS LINE & WEB SITE

There will be no final whistle published for matches played between 13th and 24th November and the results line will not be available over this period.

The main web site will not be updated until w/e 1st December. It is hoped that the Mitoo web site will be updated but this is not guaranteed.

Any changes to fixtures made after 12th November will not be uploaded to the league or Mitoo web sites.

MONTHLY NEWSLETTERS

This November Newsletter contains details of fixtures and appointments up to and including 1st December 2007.

Fixtures and appointments for the remainder of December will be circulated to all clubs and officials during w/e 1st December. They will also be uploaded to the web site by this date.

Clubs and referees who do not have fixtures and appointments sent out by e-mail will have details posted to them by 1st December.

There will be no December Newsletter so we wish you all a Happy Christmas and Prosperous New Year now.

CORRESPONDENCE TO HON SECRETARY

Any correspondence to the Hon Secretary that cannot wait to be dealt with until he returns should be sent to the Chairman Brian Stubbings

NATIONAL LEAGUE SYSTEM CUP

On the 12 October the Hon Secretary attended a meeting with the FA Council in London to answer a charge that in our first round match against the Mid-Sussex League, one of our players was ineligible to play by virtue of having been a contract player during season 1996-97.

The Essex Olympian League were found guilty of this charge and have been removed from the competition.

Their place in the second round will be taken by the Mid-Sussex League who have been reinstated into the competition

NOTE TO REFEREES

There are a the large number of County and Charity cup matches in November. Every effort has been made to spread the remaining fixtures fairly among our referees and additional matches will be arranged which will need officials.

If you have not been given a match on a free date please let John know if you wish to close it or you will be regarded as being available and could get a late appointment.

PAYMENT TO OFFICIALS

Clubs are reminded that officials **must** be paid in their changing room immediately after the match. Several clubs have already been fined £25.00 for not doing this and this is a very easy fine to avoid.

LEAVE OF ABSENCE

John Cook will be away from 22 October to 26 October inclusive. During this period Alan Friend has agreed to take on Johns responsibilities and can be reached on 01245 467 123.

Any officials wishing to contact John should either wait until his return or e-mail him and this e-mail will be diverted to either Alan or John Cawson

PLAYER FINES

In the October newsletter there was an article relating to the procedure to be adopted when players owe clubs money. Now that this years county handbook has been received it has been pointed out that this procedure has now changed.

Rule 14 in the ECFA handbook on page 405 now reads

“The Parent Association should be approached as soon as it is clear there is a problem. In all cases this should be within 28 days of formal payment being requested and 56 days of the debt being incurred”

PLAYER REGISTRATION CANCELLATIONS

There was an error in the September newsletter regarding Wesley Blaize. The notice should have read

Wesley Blaize will not be allowed to register with our league until the 2009/2010 season and he will have to appear before the management committee before he will be allowed to register with our league after this period.

At the October management committee meeting the following action was taken in relation to a player registered last season with our league:-

Matthew Stunt formerly registered with Broomfield will not be allowed to register with the league until he has appeared before the management committee

CLUB FINES

The management committee are extremely concerned at the level of fines being incurred by member clubs. The possibility of a fine is meant to be a deterrent to stop clubs from breaking the rules. It is clubs own interest to ensure that they know the rules. If they require any help please contact the appropriate league officer
