NATIONAL LEAGUE SYSTEM CUP

After the leagues record breaking 9 – 2 victory over the Worthing & District League in the last round, the second round draw has thrown up a potentially far tougher draw against “foreign” opposition. On Saturday 12 December at AFC Hornchurch the league will play host to the Jersey Football Combination.

As a warm up for this match the League will be playing the Essex Suffolk Border League at Wivenhoe Town on Wednesday 11 November K.O. 19:45

REGISTRATION CHECKS

Following requests made at the last A.G.M., Registration Checks are being carried out every week across ALL the Senior and Reserve Divisions. One club has already been fined over £200.00 for playing ineligible players. Clubs should be aware that the Management Committee will, as requested by the majority of clubs, take firm action against any club found to have played an unregistered player.

REGISTRATION FORMS

Clubs are reminded that Player Registration Forms have to be signed by a club officer. A club officer is someone whose name appears in the handbook directory under the name of your club or who the league have been advised is a change to this list. Clubs that submit registration forms signed by other people could have the registration form returned and the player not registered until it is correctly signed.

HANDBOOK CHANGES

Will clubs please ensure that any changes to telephone numbers from those shown in the Handbook are notified to the League. It is most frustrating for the Results Secretary when trying to obtain a result to find that the team managers mobile number is unobtainable because it has been changed.

NATIONAL PROGRAMME AWARDS

This season sees the 17th annual programme awards, so do not forget to enter your club if you want to be in the competition. Six programmes (normally 2 early, 2 mid and 2 end of season) during the season ensures you are entered.

Send your programmes to:- Soccer Club Swap Shop, 121 Sefton Avenue, Harrow Weald HA3 5JP. Certificates are awarded to winners, runners up and third placed if enough contestants in the league and all are awarded certificates if in the top 40
