REPRESENTATIVE MATCH

The Essex Olympian League will be playing the Kent County League on Wednesday 29 October 2008 at Aveley Football Club kick off 19:45. The management and team would appreciate your support.

ALCOHOL AT MATCHES

Your attention is drawn to 6 C on page 388 of the Essex County Handbook

Consumption of Alcohol

It is a condition of affiliation that all clubs ensure the consumption of alcohol is not permitted outside of the Clubhouse and that; glasses or glass bottles of any kind and/or tins of alcoholic drink are not brought onto the ground, when a match or matches are being played

In the past despite, the best efforts of the league, many clubs have chosen not to take any action to implement this rule.

Following complaints already received this season clubs should note that if the league become aware that this rule is being ignored, the club responsible will be reported to the E.C.F.A. and will therefore be jeopardising not only their future in our league but also their future existence.

NEWSLETTER ON THE WEB SITE

Will clubs and officials please note that a copy of the monthly Newsletter is posted on the leagues web site on the day it is e-mailed out to them. Therefore, if for some unknown reason you do not receive the e-mail with the Newsletter attached, you can very easily down load a copy from there to find out who your referee is or what matches you have been appointed too.

REGISTRATION OF PLAYERS

There have already been a number of instances this season where a player has been signed on prior to a match and it has subsequently been discovered that the player had already been registered with another club. Whilst this practice of signing on players before the game is allowed by the rules, the management committee strongly recommend against it.

It is suggested that clubs issue their managers with a list of registered players as clubs have recently been found guilty of playing players who had told the manager they had registered but had not.

It should also be noted that registration checks in accordance with Rule 8 (Q) are regularly being carried out and any club found guilty of knowingly playing or attempting to play an unregistered player will be severely dealt with by the management committee who are committed to stamping out the practice of playing "ringers".

REFRESHMENTS FOR OFFICIALS

Clubs are reminded that they have to provide referees with a beverage after the match. If it is your clubs practice to offer the officials a drink in the bar then you must tell them otherwise they will report your club for not providing one and you will be fined as has happened recently on several occasions. Do not assume that all officials know as some do not go into bars after matches.

ASSISTANT REFEREES

Would all referees please ensure that they put the name of club assistants and a mark on their result sheets as these marks go towards the Club Assistant Referee of the season award. Officials are also asked to ensure they fully complete all of the sections on the result sheet.

MOUNTNESSING RESERVES

Mountnessing Boca have been given permission to play their reserve fixtures at the following ground
